

## Delaware Mineralogical Society Membership Form

<http://www.delminsociety.net/>

### **Welcome!**

The DMS is a nonprofit organization dedicated to the promotion and education of mineralogy, paleontology and the lapidary arts. We meet on the second Monday of each month (except for July and August) at the historic Greenbank Grist Mill, 500 Greenbank Road, Wilmington, DE 19808 near the intersection of Rt. 41 and Rt. 2. We have speakers/programs that promote the goals of the society at each meeting. Refreshments are shared by fellow club members.

The DMS conducts several field trips a month to fossil and mineral localities in the tri-state area (PA, NJ and MD) and further afield. DMS is also a member of E.F.T.A., the Eastern Field Trip Alliance, and many of our members belong to other clubs in the tri-state area creating close ties and providing opportunities for several cosponsored field trips a year.

The DMS is proud to announce that our junior division is in the process of becoming affiliated with the Future Rockhounds of America through the American Federation of Mineralogical Societies (AFMS). Our regional affiliation is with the EFMLS.

The DMS also sponsors an annual mineral and gem show on the first weekend in March. Membership benefits include: access to field trips, a subscription to our monthly newsletter, the Geogram, and to become part of a local community of enthusiasts who enjoying sharing their interests.

Come join us on the second Monday of each month at the Greenbank Mill and check out our internet site to see what we are all about!

-----  
The membership year starts on January 1st each year.
